Shared Agreements

Multiple roles

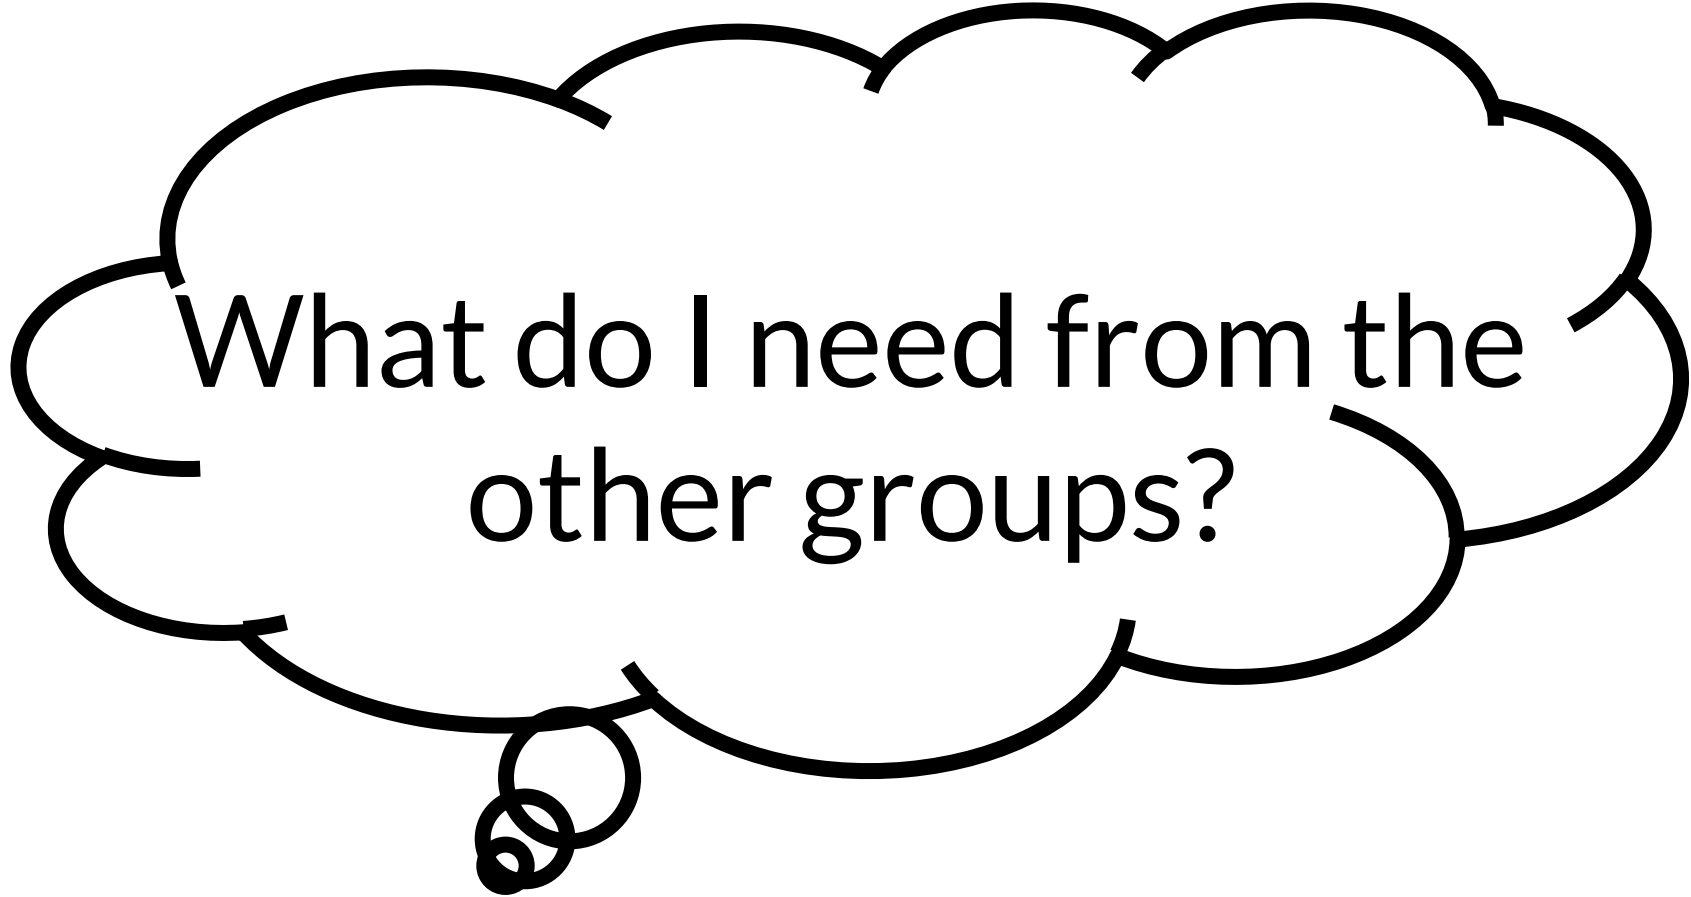

What do I want other
people to know about
me/my group?

What do I want to
contribute? What can I
offer the
field/organization?

What do I need from
others in my group?

What do I need from the
other groups?

Keep the Conversation Going

- What are your biggest takeaways from today?
- What surprised you?
- What new connections have you made?
- What is your personal action plan moving forward?

ALONE we can
do so LITTLE;
TOGETHER we can
do so MUCH
